

# New CAC Member Information (2024)

## 1. Membership Status and Key Tags

- Age of new members – Under 18's will not be given RFID tokens and should not be down the range by themselves (there are some case-by-case exceptions for under 18s (i.e. training for international tournaments))

## 2. Access and Alarm

- All members are responsible for unlocking and locking up of the club house & setting the alarm code / roller door (including keeping the club house locked and put the roller door down when shooting at all times so passers by, cannot access)

- Reminder that the club is 24hr access.

- Key for toilets are no longer needed but the car park gate key is still the key chained to the block of steel located on the shelf on the immediate right as you open the door. The toilet doors are to be closed after use; the code to these is the same as the Alarm. The toilet doors will be opened for Come N Try on Sundays and closed by the coaches when it is finished.

The locks remain on the toilet door for unforeseen usage and to lock the slide bolts open

**\*Note:** Gate padlocks remain on gate when unlocked but locked back to the other padlocks or the fixed ring, toilet padlocks are to be left where they are and are no longer unlocked for any reason.

- Members to lock up the clubhouse, toilet doors pulled shut and gate locked if they are the last one at the range when leaving.
- Gate to be locked if you're the last car out, even if there are others still shooting.

## 3. Club Facilities

- \* First aid Kit / Sunscreen / hand sanitiser
- \* Found / Broken arrow tubes Behind door to club house
- \* Notice Boards – advertising upcoming club, local and interstate events.
- \* Toilet Key

- \* The workshop equipment should not be used by members without assistance from someone experienced.

#### **4. Shoot rules and etiquette**

- No running on the range, stop shooting when people walk across
- Shoot from either the front yellow line or the red undercover line (5 metres back). Each lane is marked with either a blue or red dash with a series of matching blue or red bricks. To shoot independent to another member who is already shooting, leave a 2 lane gap when on the same line or a three lane gap if shooting from the line in front of behind another archer. If range is busy keep in step with the other archers in the adjoining lanes.
- The website has more information about etiquette
- Supervision of minors required if under 18 (if applicable)
- Oz Bow (2pm on Saturday afternoons) and Club Shoots (Sundays) and for small fee President Shoots (1<sup>st</sup> Sunday of each month)
  - \* Rounds are on a poster above sign-in sheet.

#### **5. Contact**

- Committee members can usually be found on the range on a Sunday Morning
- New members can contact Committee members via email found in the about tab on the webpage or Facebook if you have any issues/questions
- Members will receive a Monthly email from the club informing of upcoming events etc.
